

Arrival at CYZF Airport

The Midnight Sun Fly In Association anticipates numerous arrivals of float, amphibious and wheel aircraft for the 2023 Midnight Sun Fly In. To assist with our preparations and facilitate your arrival, please review and follow the instructions below.

1 BEFORE DEPARTURE

Several days prior to departure, review the aircraft information and itinerary provided in your registration form. This information assists Fly In crew to plan for arrivals and allocate parking. Report changes by email to midnightsunflyin@gmail.com.

2 FILE FLIGHT PLAN

File a flight plan to Yellowknife (CYZF). The filing of a flight plan is prudent for safety reasons and assists NAV CANADA staff at the CYZF tower to anticipate arrivals.

3 CONTACT ATC ON APPROACH TO YELLOWKNIFE

Contact the CYZF tower on 118.5 at 15 NM from CYZF to state your position. Advise that you are inbound for landing at the airport for the Midnight Sun Fly In and intend to park on taxiway KILO.

4 LAND AT YZF AIRPORT

Land at CYZF airport in accordance with instructions from the CYZF tower.

5 PARK ON KILO

Parking for GA aircraft is located on taxiway KILO. The tower will provide progressive taxi instructions. Park at the end of KILO and push your aircraft perpendicular to the edge of the taxiway. Tie-downs are not supplied.

6 TRANSPORTATION

Fly In crew will be operating a shuttle to provide transportation from taxiway KILO to your accommodation or the Fly In site. If the shuttle is not present on your arrival, local cabs can meet you at the general aviation gate at 116 Archibald Street.

7 AIRSIDE ACCESS

The airside access gate near taxiway KILO is secured by a keypad code. To unlock the gate, press 4 and 2 simultaneously followed by 3.

8 REGISTRATION

Report to the registration desk at the Fly In site to confirm your arrival, finalize your registration, and receive your welcome package. The desk will be open during the Meet-and-Greet from 4:30 pm to 8 pm on Thursday.
